Councilmember Ridley-Thomas Statement on Derek Chauvin Murder Trial

“Today’s verdict in the Derek Chauvin murder trial is a victory for justice, a victory for accountability, and a victory for common sense. But, despite today’s outcome, our hearts remain heavy for the loved ones of George Floyd who have lost a father, a brother, and a friend. Though his life was senselessly cut short, Mr. Floyd’s legacy lives on through our collective work and advocacy to reimagine policing across this country. So, while today’s verdict will not bring George Floyd back, my hope is that his family will know that he has forever changed this nation for the better.”
